A BUDGET FOR YOUR SPORTS TEAM/MARCHING BAND/CLUB

Situation: Your school's sports team, marching band, or club has asked for your help in preparing their budget for the upcoming year. You and two of your classmates are meeting to identify ways it can raise money and plan a budget.

Activity: Hold a meeting to plan ways to raise money and to prepare a proposed budget. The sports team/band/club has \$435 in the treasury.

Evaluation: You will be evaluated on how well you meet the following performance indicators:

- Identify three or more ways you can raise money.
- Prepare a list of expected expenses.
- Prepare a proposed budget.
- List steps that you can make to meet your goals.
- Communicate with each other, and use correct grammar.
- We will be presenting these to each other so feel free to use the board, Power Point, Microsoft Word, notes, or anything to help you organize your group presentation.
