JUDICIAL REVIEW PROCESS

US CONGRESS PROPOSES BILL THAT SCHOOL WILL BE OPEN 365 DAYS A YEAR.

Not only is Congress proposing a bill that says school will be open 365 days a year, but anyone ages 6 to 18 not attending will be fined \$500 or spend six months in jail. Furthermore, any person caught complaining or criticizing the new law may be arrested, immediately convicted without a trial, and sentenced to pay a fine or sent to jail for speaking out against the law.

Does this new law violate any amendments in our Bill of Rights?

Use the table below and a copy of the Bill of Rights to analyze whether or not the law violates each amendment.
