How to Avoid Fraud

You have been hired to educate the public on avoiding common types of consumer fraud. Using the website www.fraud.org create a PowerPoint presentation designed to inform the public about one of the following types of fraud:

- Telemarketing Fraud
- Internet Fraud
- Elder Fraud
- Scams Against Business
- Counterfeit Drugs

Your presentation should contain:

- A Minimum Of Ten Slides
- Examples Of Current Scams
- Tips For Avoiding Fraud
- Relevant Statistics
- Frequently Asked Questions
- Useful Links (Other Than www.fraud.org)
- Bibliography
- Relevant Pictures
- Animation
- Slide Transitions

Your presentation is due on _____

Your group will present your report to the class on _____

Group Members:

Topic:

Name _____

Date _____
