# MULTIMEDIA FINAL PROJECT

Over the course of the next several days you and your partner will be compiling a new movie! This movie will of course require a lot of preparation and media releases. Using ONE computer, create the following materials for your film:

1. A Publisher Flyer advertising your movie Due: \_\_\_\_\_
2. A Publisher Invitation to the Premiere Showing Due: \_\_\_\_\_
3. A Publisher Admission ticket to the Premiere Showing Due: \_\_\_\_\_
4. A PowerPoint Presentation explaining the following: Due: \_\_\_\_\_
  - a. Characters in film
  - b. Actors/Actresses playing each role
  - c. Setting (Time & Place)
  - d. Plot (Keep It Brief!)
5. A FrontPage HOMEPAGE Advertising the Film Due: \_\_\_\_\_
6. A Moviemaker 1 minute trailer Due: \_\_\_\_\_

Your movie genres are as follows:

## “The Usual Suspects”

A crime drama requires an evil criminal, good cop/bad cop team, and a host of mysterious clues and suspects. Remember to hint at suspense and team up a good detective pair to investigate.

## “A Cinderella Story”

A romantic comedy, boy meets girl, they fall in love. Something or someone keeps them from being together or realizing they are in love. Difficulty is overcome and lovers unite. This file requires a great pair to star and the kooky comedy relief of the best friend of each character. Remember to hint at comedy and that the pair *might* not get together.

## “The Hero”

An action/adventure film where either the star is an action hero or superhero who gets into major car chases or adrenaline fueled fun. Make sure there is a love interest on the side and that the stars are exploring an extreme adventure.
